

EMPLOYMENT OPPORTUNITIES AVAILABLE AT THE QATARENERGY, OCT 2024

QATARENERGY LNG

QatarEnergy LNG is a unique global energy operator in terms of size, service and reliability. It operates 14 liquefied natural gas (LNG) trains with a total annual production capacity of 77 million metric tonnes.

Established in 1984, QatarEnergy LNG helps develop and produce hydrocarbons from the world's largest non-associated natural gas field. QatarEnergy LNG has continued to set the benchmark in the LNG industry, as it safely and reliably produces affordable, lower-carbon energy which provides access to energy to billions around the globe.

QatarEnergy LNG offers prospective employees a unique opportunity to work and gain experience in the State of Qatar. There are a wide variety of roles available in both the development projects as well as the permanent operating organisation. For more information, please visit: <https://careers.qatargas.com/> and thereafter register to start the application process.
